## WELCOME TO 2014!

Welcome to the New Year – on behalf of the Committee, I would like to wish you all a very Happy and Healthy New Year – may all your dreams come true.

We enjoyed a very successful Christmas get-together at Seawinds, although once again, it proved to be much cooler than anywhere else on the Peninsula! It was great to chat with everyone and share a few laughs.

Please take the time to check on the website for this year's topics – and keep these in mind, when out and about with your camera. If you're unsure as to what the topic means (e.g. "Golden Hour") – definitions are also on the website, so please read them.

If you have any questions re the new rules regarding Competitions and number of digital/print entries – please ask any Committee member.

Our first meeting for 2014 will be on **Tuesday, January 21.**

**PLEASE NOTE: TWO DIGITAL ONLY entries for February's Competition: "Abandoned/Broken" must be submitted by January 14.**

Happy New Year .....

I hope everyone had a good Christmas and managed to get in some time to relax. I am sure we all carry that extra kilo into the New Year, but not because the new camera is a little heavier than the old one!

There are still a number of tutorials to be finalised for this year. We are looking for people who are willing to share their knowledge and experiences and give a presentation to the Club. It does not have to be a full evening, because we can put a number of short talks on together. Please contact Pat, Gail or myself if you would like to volunteer, or know of someone who would give an interesting talk.

Sadly, one of our guest presenters has been forced to withdraw – because of an order from Police Command, the Forensic Photography talk has been cancelled.

I would also like to remind you that the competition rules have changed for this year. To encourage members to submit more prints, this year you can still enter **four** images, but only a maximum of **two** can be digital. You can enter 4 prints, in either size and in colour or monochrome. Many of the judges have commented on this during the year and it is a trend in most clubs.

Keep an eye out for outings and field trips that some members will be organising this year, and I would encourage all members to make the effort to attend.

I am still looking for more images to use on our website, so please send them directly to me.

Happy snapping everyone!!
