Newsletter of Nepean Camera Club Christmas 2024

## Merry Christmas

May your Christmas and holidays be filled with joy and happiness.

We look forward to catching up with everyone in the New Year.

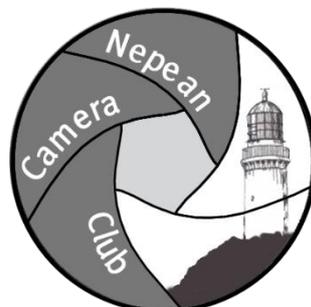

Our 2025 program is all but complete and will be unveiled at our first club meeting Tuesday February 4, 2025.

On Wednesday January 29 we will be conducting a photoshoot on the shores of St Andrews Beach. Details to follow

Please mark both these dates in your diary.

Merry Christmas

Nepean Camera Club

# The Longshoot Beechworth 2024

The annual longshoot has become a NCC tradition.

The 2024 event continued that tradition. Amongst the attending members it has been described as a high octane event with now nothing but fond memories and some wonderful photos.

Just check out the club's Flickr site to see these.

With a slight tweaking of the usual formula Gunda and Laure were able to provide attendees with a varied and impactful visit. Not to mention outstanding photo opportunities.

The enjoyment members receive from this annual event is so great that they( Laure and Gunda) have put their hands up to re organise it again for 2025. No wonder they won the coveted Presidents' Award for this year.

**Get your 2025 diaries out and set aside October 20 -24 2025.**

## Flinders Photoshoot

**Our Last Club Photo Shoot**

With heavy rain falling all night, the night before. And, with heavy rain promised midafternoon on shoot day, it was good to see several of the club venture to Flinders.

There is always plenty to photograph at Flinders. A good selection of images now resides on the club Flickr site.

Furthermore, it was wonderful to welcome a new member, Deb Edwards, and to re-visit the smiling faces of Kathy and Michael Hirst.
